

Nelson-Denny Reading Test

Grades 9–Post-High School/Adult

The *Nelson-Denny Reading Test* is a two-part survey test that measures vocabulary development, comprehension, and reading rate with two equated forms that allow convenient pre- and post-testing of reading progress.

How much time will it take?

The *Nelson-Denny Reading Test* requires only 35 minutes. Part One is a 15-minute timed test; Part Two, the Reading Comprehension and Rate, is a 20-minute test.

Accommodation for ESL Learners

An extended-time (56 mins) administration of the test is available to meet the needs of ESL learners, focusing attention on reading rather than speed. Accommodation includes:

- Reduction in the number of vocabulary items from 100 to 80
- Reduction of reading comprehension passages from 8 to 7

What do you need to get started?

- Test Booklets: one for each student being tested
- Directions for Administration
- Manual for Scoring and Interpretation
- Answer Sheets

Nelson-Denny Reading Test

A two-part reading survey test for high school, college students, and adults to measure vocabulary development, comprehension, and reading rate.

Hint: Most examiners choose one Form (G or H) to start, and consider adding the alternate form to their testing program to support pre- and post-testing.

Get started for only \$297.45

- One package of 25 Test Booklets (includes the Directions for Administration)
- One package of 50 Self-Marking Answer Sheets (includes the Manual for Scoring and Interpretation)
