

Gates-MacGinitie Reading Tests (GMRT)

Second Canadian Edition

Grades K–12

The *Gates-MacGinitie Reading Tests* (GMRT) will enable you to determine students' general levels of vocabulary and reading comprehension.

How will Gates-MacGinitie Reading Tests help you in the classroom?

With the results from GMRT, you will be able to:

- Select students for further individual diagnosis and special instruction
- Plan instructional emphases
- Identify at-risk students prior to provincial assessment programs
- Locate students who are ready to work with more advanced materials
- Decide which levels of instructional materials to use with new students
- Measure growth of learning
- Evaluate effectiveness of instruction
- Report back to parents on student progress

Is it reliable?

Yes! *Gates-MacGinitie Reading Tests* were standardized on 40,000 Canadian students to ensure reliable results. Two parallel forms (3 and 4) permit pre- and post-testing to reliably measure growth and progress.

How much time will it take?

Gates-MacGinitie Reading Tests (GMRT) require only 55 minutes of testing time for each group testing session in Grades 2–12. Grades K–1 tests have no time limit as the teacher paces the children.

What do you need to get started?

- **Test Booklets:** one for every student being tested at one time at each level. These are consumable for Grades K–3, and reusable for Grades 4–12.
- **Answer Sheets** for Grades 4–12: Students read the questions in the Test Booklets and record their answers on consumable Answer Sheets.
- **Teacher's Manual** includes directions for proper test administration, norms, and suggestions on using test results to improve instruction.
- **Scoring Materials**

What do you need to score the tests?

There are two options in scoring:

Hand Scoring—Using a Scoring Key or Scoring Mask, manually check each test and then refer to the Teacher's Manual for scores and interpretation.

Nelson Scoring Service—Send the Primary Test Booklets or Machine-Scorable Answer Sheets to us and we'll send your scores and comprehensive reports in just two weeks! For more information on scoring, see pages 20–33.

Gates-MacGinitie Reading Tests (GMRT) Forms 3 and 4 Overview (Chart)

When choosing the test that is right for you, first select your grade and identify the corresponding Test Level beside it. Fractional grades represent the number of months completed in the grade (e.g., 1.5 = 5 months of instruction in Grade 1 completed).

Hint: If you plan a pre-test and post-test in the same grade in one school year, you can use Form 3 for pre-test and Form 4 for post-test. Please refer to the chart on page 19 for additional information about Forms 3 and 4.

For examiners who wish to administer GMRT annually, to students in successive grades over the years, the following chart suggests a combination of various levels and forms that may be used. The parallel forms (3 and 4) in GMRT allow the examiner to ensure that students will be using a different test booklet in consecutive years. For example, students may be administered Level D5/6 Form 3 when they are in Grade 5, followed by Level D5/6 Form 4 in the following year when they are in Grade 6.
